I have discussed the matter both with Mr Kaiper Smiths & Mr and the local Mott agent. There is no doubt that the Patasala at H. Narasipur is not quite as useful as it may well be. The present proposal is to have a high grade Patasala at Bangalore aiming at teaching advanced text-books on hojis and Draite sedanta in the new building which is under construction. In fact there is a Patasala which is being conducted under the Aegis of the Mott during the last nine years and more, and the funds are required for the support of the institution.

The present reference to the Mott is in accordance with Para 10 of the G.O of 11th Nov: 1915 and the transfer may be sanctioned. To ensure however that the funds are wholly spent upon the institution the amount may be made payable monthly at the Bangalore treasury on bills submitted by the Secretary to the managing Committee Countersigned by the Mysore Supdt.
